Policy for Well Being of Employees

Philosophy

The objective of this is to have fair policies for Recruitment and Retention of talent that contribute to the development of Unichem Business and also to ensure that there is no discrimination or harassment against anyone.

Policy

1. To provide equal employment opportunity to all qualified persons without discrimination on the basis of age, region, caste, creed, race, colour, gender, religion, national origin, social groupings, disability and marital status in accordance with applicable local, state and national laws. To provide opportunity to persons with disabilities who can perform the essential functions of the position for which they are qualified and selected.
2. All employment and promotion decisions will be based solely upon individuals' qualifications, experience, prior contribution and demonstrated capacity to perform at higher or improved levels of performance and will be in accordance with the principal of equal employment opportunity. Unichem will take whatever affirmative action is necessary to attract and retain qualified persons.
3. Unichem is committed to provide safe, healthy and non-exploitative working conditions for all employees.
4. Not to use any form of child/forced labour or any form of involuntary labour whether paid or unpaid.
5. To take cognizance of work life balance of its employees.
6. To ensure continuous skill and competence upgrading of all employees by providing access to necessary training and education on equal and non discriminatory basis.
7. Through induction programme the company sensitises its employees on aspects of human rights.
